

Latitudes Winter 2022 Entry Form Formatting Checklist (non-compliance may result in the submission's return):

- MS Word or equivalent in .doc or .docx format
- Pages numbered bottom of each page and centered
- Text in 12-pt Times New Roman font
- Double-spaced text
- One-inch margins on all sides
- Do not include any identifying author information on the manuscript (to facilitate blind judging)
- Title of work centered on first page, with genre and word count on top left side; and title, genre, and word count on top left side of subsequent pages

The anonymity requirement and formatting specifics are critical for submissions to be accepted. A template for a submission can be provided upon request to the managing editor.
